

This assignment is due at the beginning of class on the due date above. When submitting your homework, arrange papers IN ORDER with this sheet on top. Staple papers in the upper left corner (one staple please!) Proofread all work before submission. I will deduct points for missing printouts, failure to follow instructions, and errors in your documents.

I will return this assignment at our next class meeting. Review your graded homework to learn from any mistakes that you may have made. Clarify any questions that you have with your instructor. Correct any errors on your documents before placing a printout in your portfolio.
